 ■ 40+yrs.

- During 2008, our staff and volunteers ministered to 3,009 women in the name of Christ.
- Our phones rang 8,624 times. Abortion related calls - 355. Calls requesting client services - 6,851.
- 423 pregnant women were seriously at risk to choose abortion. At least 186 of them made the decision to continue their pregnancy.
- The medical clinic served 1,006 clients. We performed 670 ultrasounds.
- 24 women accepted Christ as Savior and 18 made recommittments as a result of the love and witness of the staff and peer counselors.
- In the HOPE program, 270 pregnant women received information, nurturing, parenting skills and baby supplies.
- We offer services to expectant fathers through A Father's Place Program. In 2008 we served 93 men.
