## Please pray that.....

<b>1</b>	Our clients considering abortion will be open to the truth regarding the risks and effects of the procedure and make their choice accordingly.
<b>2</b>	for God's blessing and protection over our valued volunteers and their family.
<b>3</b>	our donors are important to God and to His work at PRC. Pray God's blessing over them, their businesses, and ministries.
<b>4</b>	God would forgive our nation and would raise up God-fearing leaders who value life and aren't afraid to uphold the standards of God.
<b>5</b>	God would continue to bless, grow and strengthen our supporting churches as they partner with us to take a firm, solid and bold stand toward the issues regarding LIFE of the unborn.
<b>6</b>	the mothers who have miscarried will find God's healing in their loss and strength to walk each day in His peace and reassurance.
<b>7</b>	God would open the eyes of the post-abortive clients to the truth regarding LIFE and the risks and effects of abortion.
<b>8</b>	God would grant the perfect jobs for our clients so they can take care of themselves as well as their family.
<b>9</b>	God would stand guard over this ministry and evil would not prevail in or around it.
<b>10</b>	God would prepare the mothers for a safe delivery of their babies and guide them thru a joyful experience of motherhood.
<b>11</b>	God would move on the hearts of the church members to donate baby items.
<b>12</b>	unity and wisdom would continue to flourish with the PRC staff as they serve God and the women He sends.
<b>13</b>	God would guide and direct Nanette as she ministers to the Hispanic community and that they would attend the classes that are offered.
<b>14</b>	Godly wisdom to lead and set the pace for PRC's present and future needs.
<b>15</b>	the hearts of our clients would be turned toward God and would seek Him for direction and guidance in their lives.
<b>16</b>	the abortion-minded clients would keep their clinic appts., and be encouraged to carry after seeing their baby during their ultrasound.

<b>17</b>	God would bless our doctors and nurses while raising up others to volunteer in this great work.
<b>18</b>	God would bless PRC's efforts to teach sexual integrity to our clients.
<b>19</b>	God would continue to provide the needs of the ministry and to stir the hearts of the body of Christ to partner with PRC as an extension of the church to challenge, change and save lives.
<b>20</b>	the pregnant teens would become involved in the program, connect with others in the class and benefit from what is taught.
<b>21</b>	God would protect the unborn as He guides us as we share the truth about fetal development and what the bible reveals about life issues.
<b>22</b>	God would direct, protect and bless the mothers who have chosen to carry and that they would seek His help on their journey as mothers.
<b>23</b>	more fathers would choose to be involved as a positive role model in the lives of their children.
<b>24</b>	God would use our Adult Hope Program to bring change and direction in their lives.
<b>25</b>	the post-abortive women would be made whole as they go through the steps to be freed from the unforgiveness, guilt, shame and anger as a result of past abortions.
<b>26</b>	hearts would be burdened and willing to be used by God to serve the women that God sends to PRC.
<b>27</b>	God would go before us, giving us favor as we educate and promote the heart of this ministry to the community.
<b>28</b>	the abortionists' eyes and the eyes of the pro-choice community would be open to the truth regarding life in the womb, abortion and abortion risks.
<b>29</b>	God would open doors for the community to gain knowledge of PRC's services, mission and purpose so that they may join us in our efforts.
<b>30</b>	God would help us to be kingdom focused, not issue focused so when the heart and mind is changed toward God, the issues at hand will ultimately be affected as well.
<b>31</b>	God would take this fund-raising event to increase the awareness of PRC's services, the effects abortion has on our community and our nation and to raise funds to continue our client services to the community.
